

FUNDING CRITERIA

Certificate in Climate Risk

Funding for this programme (30%) is available through Sustainable Finance Skillnet for a limited number of places.

To apply for this funding you need to:

- Register your interest in the programme with The Insurance Institute
- Be in current employment
- Be employed within the financial services sector
- Email Sustainable Finance Skillnet using the address provided to you once you have registered your interest

Please note that all funding requests are processed directly with Sustainable Finance Skillnet and as a result they may need to request additional details at application.
